

RESUME WRITING

YOUR
ADVOCACY
AGENCY

Does your resume get you noticed in today's ultra-competitive job market?

First Impressions Matter

With over 20 years of experience working with companies and candidates alike, we understand what the client is looking for and how to make your resume stand out from the crowd. English HR has proven techniques in creating targeted resumes that deliver results. Included in our resume writing package is an initial phone or Skype consultation, unlimited revisions and copies in Word and PDF files to ensure compatibility with any application method. We're not happy until you're happy. We can also write specialized versions of your resume to target your areas of expertise, depending on the job you are pursuing.

The Choice is Yours

Maybe your resume needs a quick review and a few tweaks, or a complete revision and a cover letter. We can do that. We can also write and/or update your LinkedIn profile page. Rates start at \$250 and go up depending on the selected package. Choose English HR and make a strong first impression that employers will remember.
